

Robert N. Renlund Preprofessional Award in the Allied Health Field

This award was established in memory of Dr. Robert Renlund, a faculty member in the Department of Biological & Biomedical Sciences. This medallion is awarded to two students for excellence in premedical or preprofessional studies. This award is donated by the Preprofessional Club.

Eligibility for this award:

- Must be a graduating senior at the end of the current academic year (graduating in May, the following summer, or the previous December)
- Must have completed at least 45 s.h. of coursework at Rowan University prior to the Spring semester of the current academic year
- Must have a record of outstanding performance in coursework required for the degree (in general, a cumulative GPA > 3.50 for all coursework completed at Rowan University)
- Must have an outstanding record of involvement in the Department or within the community of biological and biomedical sciences
- Must receive the support of a majority of faculty members that choose to participate in an election
