Whether you are a new educator or experienced school administrator, working in an international school is an opportunity to enhance your career and see the world. Looking for the job of your dreams? See where ISS can take you!

Why Teach Overseas?

Make a World of Difference: Foster global citizenship, inspire critical thinking, connect across oceans and across cultures. Make a positive impact on the lives of children worldwide.

The Benefits: Enjoy compensation and benefits often not available in home countries – most likely including housing or housing allowance, tax-free salary, travel bonus, educational stipends for dependent children and more.

Advance Your Career: International schools feature an academically challenging Western curriculum that is taught in English (while also offering additional languages) and offer the opportunity to truly teach. You will work in professionally enriching environments with like-minded colleagues.

Lifestyle: Excitement and adventure await!

ISS has worked with thousands of candidates with diverse experience and expertise. Each year, hundreds of outstanding international schools team up with ISS to find highly qualified teachers, librarians, counselors and administrators. The ISS Global Recruitment Team has energetic and experienced staff, working from an extensive recruitment database. Our approach combines personal attention and cutting-edge technology, helping facilitate the best possible match and positioning educators for success in their new schools.

Experience the ISS Difference

The ISS system helps candidates create the most dynamic and robust portfolios on the market – you can even customize your candidate profile with multimedia. Our system makes it easy for schools to understand your experience and expertise and to get to know you both as a person and as an educator. Additionally, Skype is fully integrated with our system, so recruiters can call you with a single click!

The ISS Recruiting Year

Applications are accepted year-round, but international schools start recruiting in September. We suggest you begin searching one year in advance of the school year you want to be abroad. November – February is the busiest time of year and when most of the IRCs occur, filling 85% of the positions annually. However, schools often fill vacancies as late as March - August.

Membership Criteria

- A bachelor's degree
- And one of the following:
  - Current certification
  - Two years of current successful full-time K-12 experience

Recruiting for administrative/leadership positions in international schools is competitive. Successful candidates have advanced degrees in Educational Leadership and current full-time administrative experience. An administrative certification may also be required.

ISS Candidate Benefits

- Exclusive, members-only access to the robust ISS online database of international schools and job listings.
- Membership to a community of qualified professionals offering lifelong connections.
- Admission to ISS Job Fairs in cities worldwide, offering the ability to interview with and receive offers from dozens of schools over the course of just a few days.
- Access to a cutting-edge system that enables you to quickly find ideal job matches and apply to them in an instant. You can research and compare school salaries and benefits, explore resources on everything from attending a job fair to successfully interviewing, and set yourself up for job alert emails all in the same place. Our system is the only one advanced enough to support diverse portfolios, allowing you to showcase your skills and experience with videos, photos and links to your personal website. Recruiters can even Skype you directly from a link in your candidate profile.
- Support from a team of experienced recruitment professionals to assist you in reaching your goals. Our team gets rave reviews for their caring, individualized service and support!
- Virtual events! Can’t travel to a job fair? Connect with recruits online in real time at the unique ISS iFair®!

Recruitment Conferences
Our annual International Recruitment Conferences (IRCs) offer ISS candidates the opportunity to meet with international school representatives. Interviews are conducted during these fast-paced events, and typically two-thirds of those who attend are offered positions – many on the spot! Plus, your ISS membership includes access to all events!

Can’t attend an IRC in person? Don’t worry! ISS is proud to be the first to offer the iFair® – a virtual international recruiting event for schools and candidates that combines the concept of traditional interview sign-up with an exciting new technology platform to bring interviewing directly to your phone or laptop. In these unique fairs, candidates visit schools’ virtual "booths" and conduct interviews via chat and direct-to-Skype calls. In the first year alone, ISS facilitated 2,302 conversations between 433 candidates and 50 schools. We host several iFairs® each year.

Visit www.iss.edu/events for upcoming conference dates and locations.
