College of Education

Mission

To positively impact and develop local, regional, national and global educational communities by:

- Collaborating with partners in the field to promote learning and the mental and physical health of diverse learners in all settings

- Integrating teaching, research, and service to advance knowledge in the field

- Preparing and supporting professionals through the development of knowledge, skills and dispositions with the ultimate goal of ensuring equitable educational opportunities for all learners.

Vision

The College of Education will be a leading force in preparing and supporting reflective practitioners who use education to transform our global society.

Rowan University has committed itself to a policy of equal opportunity without regard to race, color, creed or religion, sex, national origin, age, physical or mental handicap, military status, marital status, or other factors prohibited by law.

Praxis Core Boot Camp
This workshop is intended to help prepare participants who will be taking the Praxis Core for the first time. The Boot Camp will consist of six, 3-hour Saturday sessions that include pre-assessment, test taking strategies, content refreshing and post-assessment. Participants should register online through the College of Education’s Praxis Lab website. Register today because seats are limited to the first 25 registrants.

Praxis Core Re-Boot Camp
This workshop is intended to help prepare participants who either enrolled in the Praxis Core Boot Camp and struggled with one or more of the 3 part post-assessment OR who have taken the Praxis Core exam prior but were met with challenges preventing them from being successful. Participants can register for 1, 2 or 3 content area sessions. Participants should register online through the College of Education’s Praxis Lab website. Register today because seats are limited to the first 25 registrants.

Location
The Praxis Lab is located on Rowan University’s main campus in James Hall, room 1111.
