Instructions for TB Test

Obtaining a Mantoux/Tuberculosis (TB) Test:

To obtain a TB test, please schedule an appointment to have your test completed by a professional health care provider (*please see list below for suggested providers). Placement districts generally require the test result to be dated within 6 months of the field placement start date.

- The test is administered and you must go back to the doctors to have the results read within a 48-72 hour window. If you miss the 48-72 hour window, you will need to have a new test administered.
- Obtain a copy of the result from the health care provider. The result must have the date administered, the date the test was read, the test result and the health care providers information.
- Upload a copy of the TB test result into your TK20 application.
- Enter the date of the test result into TK20.

Exempt from a Mantoux/Tuberculosis (TB) Test:

If you are exempt from having a TB test due to individual circumstances, you are still required to show that you do not have an active TB infection. Please upload a copy of your most recent test result. If you have not had a test completed since enrolling at Rowan University, it is recommended you consult with your physician to determine the test best suited for you and obtain an updated test. (Note: The districts make the final decision whether a TB Test is acceptable)

- Upload your most recent result or obtain a copy of the result from your health care provider. The result must have the date administered and the test result.
- Upload a copy of the TB clearance result into TK20
- Enter the date of the test result into your TK20 application.

*Suggested health care providers:

- Rowan Wellness Center ($15 fee) Please contact them at 856-256-4333 to schedule an appointment.
- Family Physician
- Urgent Care
- Minute Clinic
- Your County Health Department (free service)

Keep a copy of your TB test for your records. You may be requested to take your TB test results with you to the school district on the first day of your Field Experience.
